M.Sc. in Environmental Technology (MET) / Student Documents

1. Documents

Please attach to the application form

a) a CV (tabular)

b) copies of degrees or other certificates of your previous studies or practical periods

2. Knowledge of English

The Masters in Environmental Technology is taught and examined entirely in English, and therefore students must have sufficient knowledge of the English language in order to follow the course. We therefore require evidence of your proficiency in English as either:

a Native English speaker

or English language courses at school, at university, or at other institutions:

From (month/year)	To (month/year)	At (school, university,..)	Qualification
.....

.....
.....

Toefl Test Date

Cambridge Test Date

If you do not have any of these qualifications in English, your competence in English can be demonstrated by either:

a test at the institution where you register for this course, either:
De Montfort University, Leicester;
Aalborg Universitet, Esbjerg;
FHO Emden,
Hanzehogeschool van Groningen
Central Ostrobothnia Polytechnic, Kokkola
TEI Kavala,

a test at your home institution (a certification letter to be attached) and an additional telephone conversation with either:
Dr Clive Groves (De Montfort University, Leicester),
Assoc. Prof. Birgit Storm (Aalborg Universitet, Esbjerg), or
Prof. Michael Schlaak (FHO, Emden).

For students with only a basic knowledge of English, we recommend that you attend an intensive two-week English language course that is offered at Aalborg Universitet, Esbjerg. This course is run before the start of the Masters course, in the 3rd and 4th week of August. If you would like to attend, or would like further information about this course, please contact Birgit Storm at Aalborg Universitet, Esbjerg.
